**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

I moved to Tega Cay with my family in early 1972. I still live there in a small neighborhood called Catamaran Village. My place was built @ 1974. I am currently a customer of the Tega Cay Water Service.

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

I am shocked and appalled at the outrageous rate increase the TCWS is requesting! I live on the lake at the marina and know about the sewage spills that have occurred over the years while the TCWS was responsible for our service (and maintenance). I am a single working mom on a fixed income, living check-to-check, with a very strict monthly budget. And this preposterous proposal of theirs will definitely hurt my finances! As far as I'm concerned, they have done NOTHING to warrant such an increase.

Thank you for your time.

**3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \***

No thank you.
